TOEWS, Professor Peter - Ass. Professor of German - June 1919 (083)

June 4th, 1919

Professor F. Loews,

78 Charles Street East,

Toronto.

Dear Dr. Loews:

I understand that you will this year reach the age of sixty-five years, and if that is correct the University will make application for you for a pension to the Carnegie Foundation for the Advancement of Teaching. Could you kindly furnish me as soon as possible with the statement as to your age, (day of the month, month and year of your birth), your wife's age, date of marriage, the length of service in Toronto or elsewhere ? I hope that you are retaining your strength. With kind regards, I am,

Yours sincerely,

President.
